

# St Mary's Church project

On December 5, a group of volunteers met at St Mary's Church to start work on a new project to help:

- Clear, document and research the gravestones
- Identify and record flowers, plants and wildlife
- Help with management of the meadow areas.

The Friends of St Mary's Churchyard volunteers group are able to carry out research, including taking part in webinars while work on the ground is unable to continue. Clearing and documenting work will resume when Covid restrictions are lifted and the weather improves. Anyone interested in supporting this project should contact Anne Herbert on 748460.

## **Volunteers assessing the task at the December event.**

## **Church Services at St Mary's**

**Services at St. Mary's Church are suspended until further notice and will be reviewed in February. However, services will take place via ZOOM, details from the Benefice website :**
