Declined	<input checked="" type="checkbox"/>	APRIL: The grant cannot be used for projects or activities that have already been completed by the time the grant has been awarded. MAY: Applicant requested for the Parish Council to reconsider original decision. The Parish Council voted to decline the application again.
8			Project to improve the public rights of way network in the Parish.	Develop Further	<input checked="" type="checkbox"/>	APRIL: Agreed to decline part of the application as stile maintenance is the responsibility of the owner of the land and signs the responsibility of Hambleton. Would like to develop the idea of producing pop-up maps which could be kept at the Village Hall. The Council would like some costs around that idea.

9	£ 1,354.28	£ 471.91	Initial set-up costs ie stationery and equipment for local history group.	Develop Further	<input checked="" type="checkbox"/> <p>APRIL: Parish Council would like to encourage the group and partially support the application. The Parish Council will purchase the display boards and map downloads.</p> <p>Parish Council would be the owner of the items and items can be used for other projects. Parish Council would have to record who is in possession of items and record them on the asset register.</p> <p>In view of the application being from a non registered group the Parish Council will purchase the display boards and map downloads. Therefore these will have to be recorded in their asset register and therefore owned by the Parish Council and could be used by other Groups upon request. The PC were also mindful that the History Group had an Open Day on 14th May and that if the Group developed further it might be possible to apply again to the fund.</p> <p>MAY: Parish Council has purchased 4 display boards to be used for community projects.</p>
