## Could you use a piano or a walking aid wheeler ?

With the building work and changes to the village hall taking place, the Village Hall Committee have taken the opportunity to review the items stored in the building.

The Village Hall is a popular venue for many different groups and activities; and the Committee have a responsibility to make sure the Village Hall is well run. This includes ensuring we meet the requirements of our insurers; and health and safety requirements, including maintaining clear walkways and exits; and ensuring storage areas are safe and uncluttered.

We have decided that the piano which takes up a lot of space and is rarely used, would be better in the home of someone who would play it regularly. We have two wheelers so we are offering one of the wheelers to local people.

If you are interested in either of these items place contact Lynda Dillon - [lyndafothergill@hotmail.com](mailto:lyndafothergill@hotmail.com).

If there is no interest, we will donate them to charity.
